

The Ontario MEP delivers the same curriculum, attempting to utilize similar learning objectives, CMRC competencies in accordance with accreditation standards.

Courses confirmed to be equivalents are highlighted in green. The remainder will be accepted upon enrollment into Ryerson MEP in lieu of RU courses.

Courses which are equivalents are highlighted in green. The remainder still need to be confirmed.

Ask Dianne at La

	Ryerson Course Use Overview in the accordian "Full-time, Four-Year Program"	Laurentian Course Equivalent	Comments or individual curriculum planning	MIDWIFERY, H.B.Sc. (PROFESSION DE SAGE-FEMME B.Sc.)
1	Elective - Social Science 1	SHORT BY ONE SS? consider that they take an extra Midwifery Skills course in 1st year.	combined with MIDW-1057EL = Becoming A Midwife?? (minimum B)	
2	Elective - Social Science 2	combined with MIDW-1057EL = Becoming A Midwife?? (minimum B)	1st yr Abtl assessment, appendix PE, BPs, neuro assessment, NB assessment, OSCEs, neuro pour la femme et bebe	
	Elective - Women's/Gender Studies - 1	WGSX 1005 – Introduction to Women's Studies or WOMN 1005		
	Elective - Women's/Gender Studies - 2	– Introduction to Women's Studies (6 credits)	Full year course	
	Elective - Professionally-related	CONSIDER using one of the SS electives instead of PR		
	MWF 150 Intro to Midwifery	MIDW-1056EL = With Woman (minimum B)		
	MWF 11 A/B Social Justice in Midwifery	SWLF 1007 – Introduction to Social Work or ISWK 1007 – Introduction to Indigenous Social Welfare and Social Work Practice (minimum C) + electives (6 cr.)		
	BLG 101 Anatomy and Physiology	BIOL 2105 – Human Anatomy and Physiology (minimum C)		
	BLG111 Anatomy and Physiology	consider adding BLG111?		
	MWF 108 Aboriginal Childbearing	SWLF 1006 – Introduction to Social Welfare or ISWK 1006 – Introduction to Indigenous Social Welfare (minimum C)		
1	MWF 113 Life Sciences	MIDW-1406EL = Life Sciences (Minimum C)		First Year Complete
2	MWF 120 Normal Childbearing	MIDW-2004EL = Midwifery Placement I: Normal Childbearing		
3	MWF 250 Midwifery Clinical Skills (3 credit)	MIDW-2056EL = Skills for Midwifery Practice combined with MIDW-1057EL = Becoming A Midwife?? (minimum B)	MWF250 has enough content for 2 courses. It seems as though both LU and MU break Clinical Skills into what we would consider 2 courses. This sounds like management, communication skills, professionalism. Consider breaking this up so that LU folks do a smaller version of MWF250 can be repeat content but only new content. We will obtain course outline (Natalie & Buffy)	
4	MWF 109 Critical Appraisal of Research Liter	MIDW-2066EL = Critical Appraisal of Research Literature	LU students take this in 2nd yr not 1st yr like RU. Need to take in 2nd yr now.	
5	MWF 201 Reproductive Physiology	MIDW-2106EL = Reproductive Physiology		
6	MWF 114 Pharmacotherapy	MIDW-2406EL = Pharmacology/Therapeutics		
				Second Year Complete

7	MWF 344 Advanced Clinical Skills I	MIDW-3006EL = Advanced Clinical Skills I			
8	MWF 345 Advanced Clinical Skills II	MIDW-3007EL = Advanced Clinical Skills II			
9					
10	MWF 315 Midwifery Issues	MIDW-3056EL = Midwifery Issues			
11	MWF 220 Interprofessional Placements I	MIDW-3094EL = Community Placements: Maternity Care System			
12	MWF 350 Interprofessional Placements II	MIDW-3415EL = Community Placements: Designated Population	Need to replace with 2 SS https://drive.google.com/file/d/19A9o69HsGI0hH_pkn4H42rrxshjklm6/view?usp=sharing		
13	MWF 305 Interprofessional Maternity Care P	MIDW-3425EL = Interdisciplinary Maternity Care			
					Senior -Year Begins
	MWF 320 Complications and Consultation	MIDW-3014EL = Midwifery Placement 2: Complications and Consultations	*		
					3rdYear Complete
14	MWF 420 Maternal Newborn Pathology	MIDW-4004EL = Midwifery Placement Iii: Maternal and Newborn Pathology			
15	MWF 410 Midwifery Clerkship	MIDW-4024EL = Midwifery Clerkship			
16	?	MIDW-0400EL = Midwifery Comprehensive Examinations	None credit course?		
					Graduation

	RU Requires Both Biology & Chemistry	LU requires 1 grade 12 4U Chemistry or Biology			
	>70% in clinical courses & overall cGPA or >/=2.33	67% average			
	No greater than 1 failed course (midwifery or otherwise)	Good standing = have maintained an average of at least 67% in the previous 30 attempts or 30 credits			
		If on probation, must return to good academic standing by the next calendar year, or the next 30 credit attempts			
May 25, 2021 (KWM)	<p>These students who are students who need to make up electives in the Block transfer into C&C. In 2020-2021, the LU the School of Midwifery did not offer MIDW 3415, and provided students the opportunity to replace this course with 6 credits of approved electives (approved by the School of Midwifery). Below are the ones I was made aware of:</p> <p>Erin Deveber: PHIL 2345 Cherish Decaire: INDG 2285 but they did not take the course Amy MacNeill: WGSX 4005 Sarah McIwham: WGSX 2356 and WGSX 2046 Lindsay Tattersall: WGSX 2356 and WGSX 3306 Jessica Valcourt-Gagnon: INTE 3556 and INDG 22162.</p>		SS Courses eligible for substitution		

	<p>The following two students want to graduate from RU (Erin, Lindsay) . This could be achieved by conducting the course work required for MWF305 or MWF315 or MWF210 Special Projects.</p>	<p>Accelerated program students don't need MIDW3145</p>		
	<p>erin.deveber@ryerson.caDeVeberErin501142002</p>			
	<p>lindsay.tattersall@ryerson.caTattersallLindsay501142003</p>			
	<p>Erin has only taken one course (PHIL2345) and is short by one(1) .</p>			
	<p>Lindsay took 2 courses and has met the criteria for MIDW 3415 replacement.</p>			
	<p>Amy MacNeill only took 1 course WGSX 4005 and needs one(1) more</p>			
	<p>This could be achieved by conducting the course work required for MWF305 or MWF315 or MWF210 Special Projects.if anyone is missing the replacement we should require MWF 350 or MWF210 Special Projects for graduation from RU.</p>			
	<p>Amy MacNeill only took 1 course WGSX 4005 and needs one(1) more. This could be achieved by conducting the course work required for MWF305 or MWF315 or MWF210 Special Projects. 500745133MacNeillAmyamacneill@laurentian.caamacneill@ryerson.ca</p>			
	<p>Those who want to graduate from LU with a LoP from RU will need to make up these 2 substitute courses before LU will graduate them so they shouldbe notified of this requirement asap.</p>
